Lucknow Public College, Sahara States, Jankipuram

📅 2018 – 2019

Percentage: 84.25

📍 Lucknow, India

10th Class

Lucknow Public College, Sahara States, Jankipuram

📅 2016 – 2017

Percentage: 94

📍 Lucknow, India

PROJECTS

ImageScope

Tech Stack: HTML | CSS | JavaScript | React Js | API

- Developed a dynamic React-based image search site with dynamic search, category filters, and image liking feature for enhanced user engagement.
- Efficiently incorporated Pixabay API for diverse image sourcing, employing responsive design for optimal cross-device experience, boosting accessibility and user satisfaction.

PlantPulse

Tech Stack: HTML | Tailwind CSS | JavaScript | React Js

- Developed a modern and visually appealing interior plant design website using React.js, Tailwind CSS, JavaScript, and HTML.
- Utilized React.js and Tailwind CSS to craft a seamlessly dynamic and responsive interior plant design website, facilitating effortless exploration of curated plant selections and design inspiration across diverse devices.

IndusSpark

Tech Stack: HTML | CSS | JavaScript

- Designed and developed a website for industrial solutions using HTML, CSS, and JavaScript. The site looks good and is easy to use on any device.

SKILLS

Programming Languages

C++ | JavaScript | SQL

Coursework

Data Structures | Algorithms | OOPs

Frontend Development

HTML | CSS | Bootstrap

React JS | Tailwind CSS

Tools

Git | Github | VS Code

Soft Skills

Problem-solving | Teamwork | Leadership

Creativity | Communication

TRAININGS

Web Development Training

Internshala Trainings

Key Skills:

HTML | CSS | JavaScript | Bootstrap | React Js

- Acquired proficiency in a wide range of technologies including HTML, CSS, Bootstrap, JavaScript, React JS, and responsive design, forming a solid foundation for web development.
- Demonstrated practical skills by creating interactive websites, showcasing hands-on experience and front-end expertise through real world projects that highlight the seamless integration of design and functionality.
